

GRADING FOREMAN WANTED

Enebak Construction has been in the industry for over 100 years. The family owned business has built its longevity on top notch, quality employees. Enebak Construction is seeking applications for a grading foreman. The Foreman is responsible for the day to day operations on the job site. These responsibilities include quality control, efficiency, and safety.

Experience in the industry is not required but it is preferred. Willingness to learn is vital to the applicant's success. Applicant would be using GPS technology to complete tasks, if needed, training can be done to learn how to run a GPS rover.

Abilities:

- Lead a team of talented workers
- Direct heavy equipment to complete tasks efficiently and safely
- Works well in a team environment
- Set grade stakes for operators to follow using GPS technology
- Read and understand construction plans & specifications

Requirements:

- Valid driver's license w/ clean driving record
- Strong work ethic and self-motivated
- Detail orientated
- Willing to learn and be trained on the job

Please fill out an application and email to employment@enebak.com
